## Government-funded childcare - stretched across 51 weeks

Annual funded entitlement is stretched across 51 weeks. A 30-hour entitlement provides approximately 22.35 funded hours per week; a 15-hour entitlement provides approximately 11.18 funded hours per week. Funded childcare hours themselves are free of charge; attendance above the stretched entitlement is privately chargeable.

## Consumables & enrichment

For funded attendance, the nursery's consumables and enrichment contribution is £17 per attendance day, separate from the funded childcare entitlement.

**If a parent chooses not to pay this contribution, they must provide all required consumable items and provisions for their child for each session in line with nursery guidance. This may include meals, snacks and drinks, nappies and wipes where required, sun cream and other personal consumables.**

## Classes & enrichment

Classes and enrichment opportunities are provided throughout the nursery week. These enhanced activities are additional to the government-funded early education entitlement. Where an activity carries an additional charge, participation is optional and the applicable extra charge must be paid.

## Monthly Tiny Town experience - Sidcup

Thamesmead families will have the opportunity for their child to visit Tiny Town at our established Sidcup setting once per month. Tiny Town is our dedicated role-play village supporting imagination, communication, confidence, independence and real-world learning through play.

**Monthly Tiny Town visit: £20 per child, per visit. This is an additional enrichment experience and is not included within government-funded childcare hours or the standard Thamesmead consumables and enrichment contribution. Participation is optional and arranged in advance.**

## Our approach

Thamesmead will build on the established All A-Board approach: high-quality early education, experienced leadership, strong safeguarding, imaginative learning and a welcoming family-focused environment. The All A-Board group has Top 20 Nursery in London recognition for 2025 and 2026 and a Strong Ofsted inspection outcome at our established setting.

Important: Government-funded childcare hours are free of charge. Additional childcare, consumables, classes, Tiny Town visits and enhanced services are separate from the funded entitlement. A minimum attendance of three full days per week applies.
